IMPORTANTE!!: Oportunidades de movilidad con beca

La UAEH participa en programas y redes de cooperación académica internacional como PILA, PAME de la UDUALC, UMAP y CONAHEC**,** que favorecen el intercambio de estudiantes entre IES internacionales.

En **PILA y PAME**, la participación puede realizarse bajo el esquema de **beca amplia**, de acuerdo con las asignaciones y condiciones establecidas por cada programa. Asimismo, cuando no existe colaboración bajo este esquema, la UAEH ofrece a estudiantes interesados la posibilidad de acceder a una **beca parcial, que contempla la exención del pago de inscripción y matrícula**, conforme a los criterios y condiciones institucionales correspondientes.

Por su parte, en los esquemas de movilidad de **UMAP y CONAHEC**, la exención del pago de matrícula se contempla de acuerdo con las condiciones establecidas en los convenios y acuerdos de colaboración correspondientes.

🤝 **Si su institución participa en alguno de estos programas, será un gran placer recibir a sus estudiantes y acompañarlos en una enriquecedora experiencia de movilidad académica en México.** MX

📎 **Les invitamos a consultar la convocatoria adjunta**, donde encontrarán los requisitos, el proceso de participación y la información detallada del programa.

Agradecemos de antemano su apoyo en la difusión de esta oportunidad entre su comunidad estudiantil y quedamos atentos para brindarles la orientación y el acompañamiento necesarios durante el proceso de postulación.

✨ **¡Sigamos construyendo puentes de colaboración y hagamos de la movilidad académica una experiencia que trascienda fronteras!**

🎇 **¡Los esperamos en la UAEH!**

Mission

In compliance with university legislation, and specifically Article 3 of its Organic Law, the Universidad Autónoma del Estado de Hidalgo (UAEH) pursues the following objectives:

1. Teaching
2. Research
3. The creation, preservation, and dissemination of culture
4. Outreach
5. The promotion of legality, transparency, and the protection of human rights
6. The promotion of quality and excellence

In fulfilling these objectives and aligning with institutional regulations and the Educational Model, the mission of the UAEH is rooted in the principles that gave it its origin and provide its *raison d'être*. It is further enriched by the contributions of members of the community who, based on their experience as well as their knowledge of the institution and the social context, contribute to its development. The mission of the UAEH is:

"To train high-quality human capital in accordance with the needs of global society, facilitating the successful incorporation of its graduates into productive work within their competence. To promote the generation of competitive research beneficial to society, which contributes to solving structural problems related to sustainability and development in social, productive, and public sectors. To create, preserve, and disseminate culture for the benefit of all sectors of the population, promoting social solidarity and the preservation of multicultural, ethnic, and natural heritage. To integrate the university's substantive functions with the global environment. To promote legality, transparency, and the protection of human rights. Additionally, to plan, operate, and manage its academic and administrative work under a continuous evaluation process."

Vision 2036-2041

The UAEH is internationally accredited and recognized for its indicators of academic excellence in the global evaluation of higher education quality.

The state of Hidalgo has **7 Magical Towns**

Recognized for preserving cultural and culinary traditions, these towns are distinguished by their colonial architecture and archaeological landmarks. They also host culturally significant events such as "Charrería" and "Xantolo", particularly in the state of Hidalgo. In addition, they offer extensive outdoor spaces ideal for activities such as rappelling and hiking.

The UAEH is located in the city of Pachuca, in the state of Hidalgo, approximately 90 km (1 hour and 30 minutes) away from Mexico City. Hidalgo is considered one of the six safest states in Mexico and is also known for being one of the more affordable in terms of living expenses.

Cuisine

In the cuisine of the state of Hidalgo, dishes made with maguey are predominant, such as lamb barbacoa, ximbó, and maguey worms, along with other specialties that vary across its different regions, including pastes, tlacoyos, mixiotes, zacahuil, mole, among others.

Traditional beverages include pulque, aguamiel, fruit wine, curados, among others.

Pulque is a traditional Mexican alcoholic drink made from the fermentation of aguamiel, a sap extracted from the maguey plant.

Sports

The most widely practiced sport is soccer, represented by the “Club de Fútbol Pachuca”, which competes in the top professional league of the country, and is considered the first officially established soccer club in Mexico.

Crafts

Crafts are commonly made of clay, wool, obsidian stone, and silver, as well as embroidered textiles known as tenangos, which depict the region’s vegetation and wildlife.

Weather

Hidalgo has a yearly average temperature of 16 °C. Lowest average temperature can drop to 4 °C, whereas the highest average temperature can reach 27 °C.

International transportation

The nearest international airport is the Mexico City Felipe Ángeles International Airport (NLU), which is located 59.1 km away from Pachuca.
